

Session III: Ranges and Facilities

Test and Training: A National Partnership

18 August 1999

Mr. Andy Manriquez

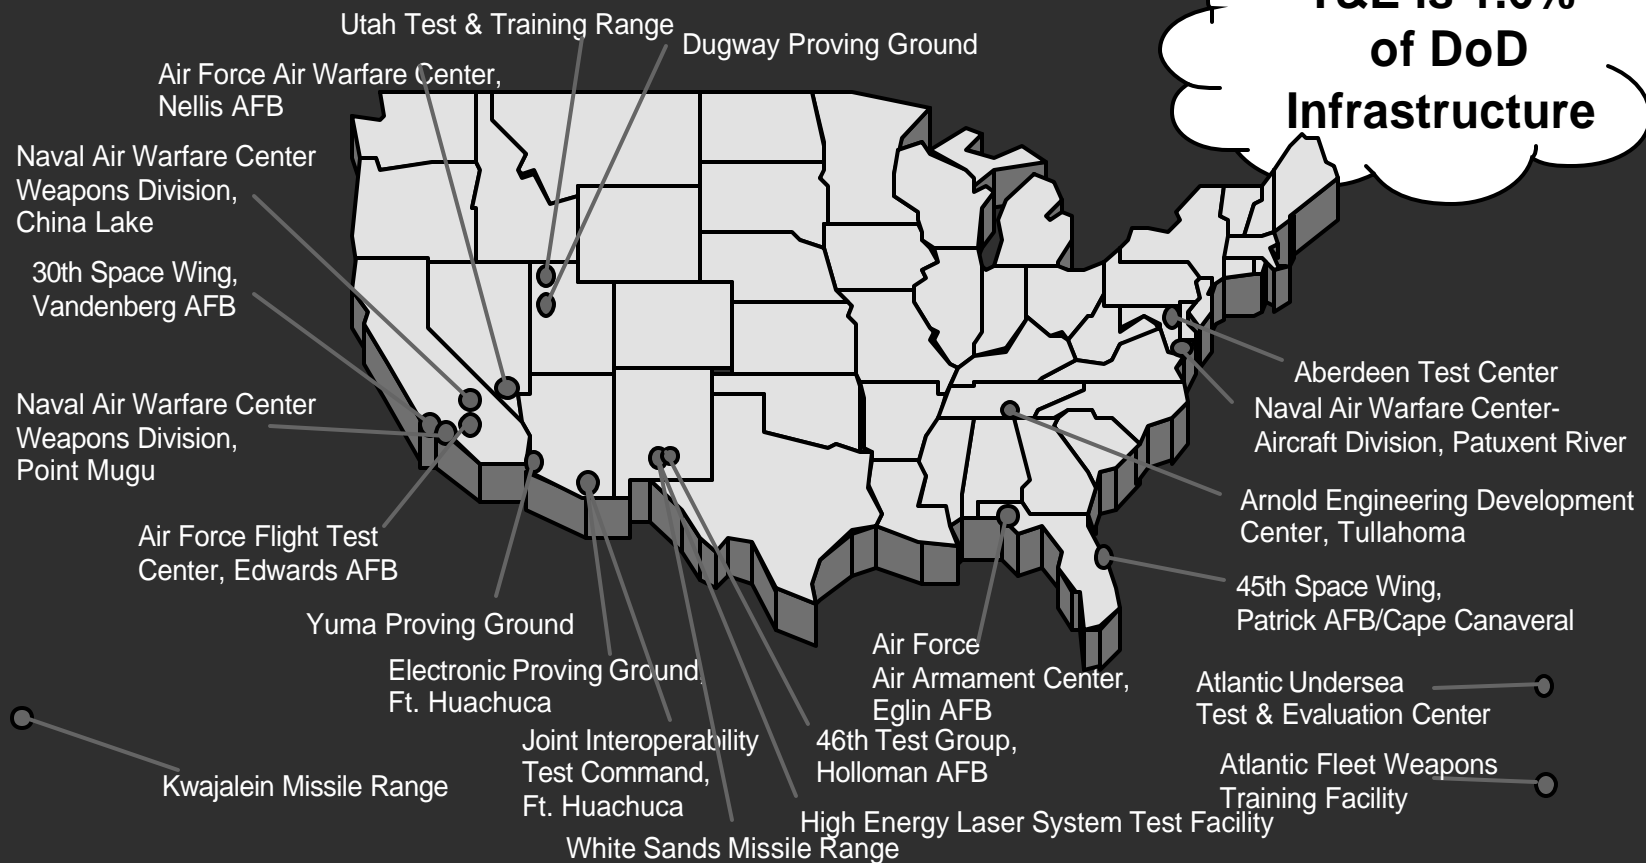

Office of the Director, Operational Test & Evaluation

Office of the Secretary of Defense

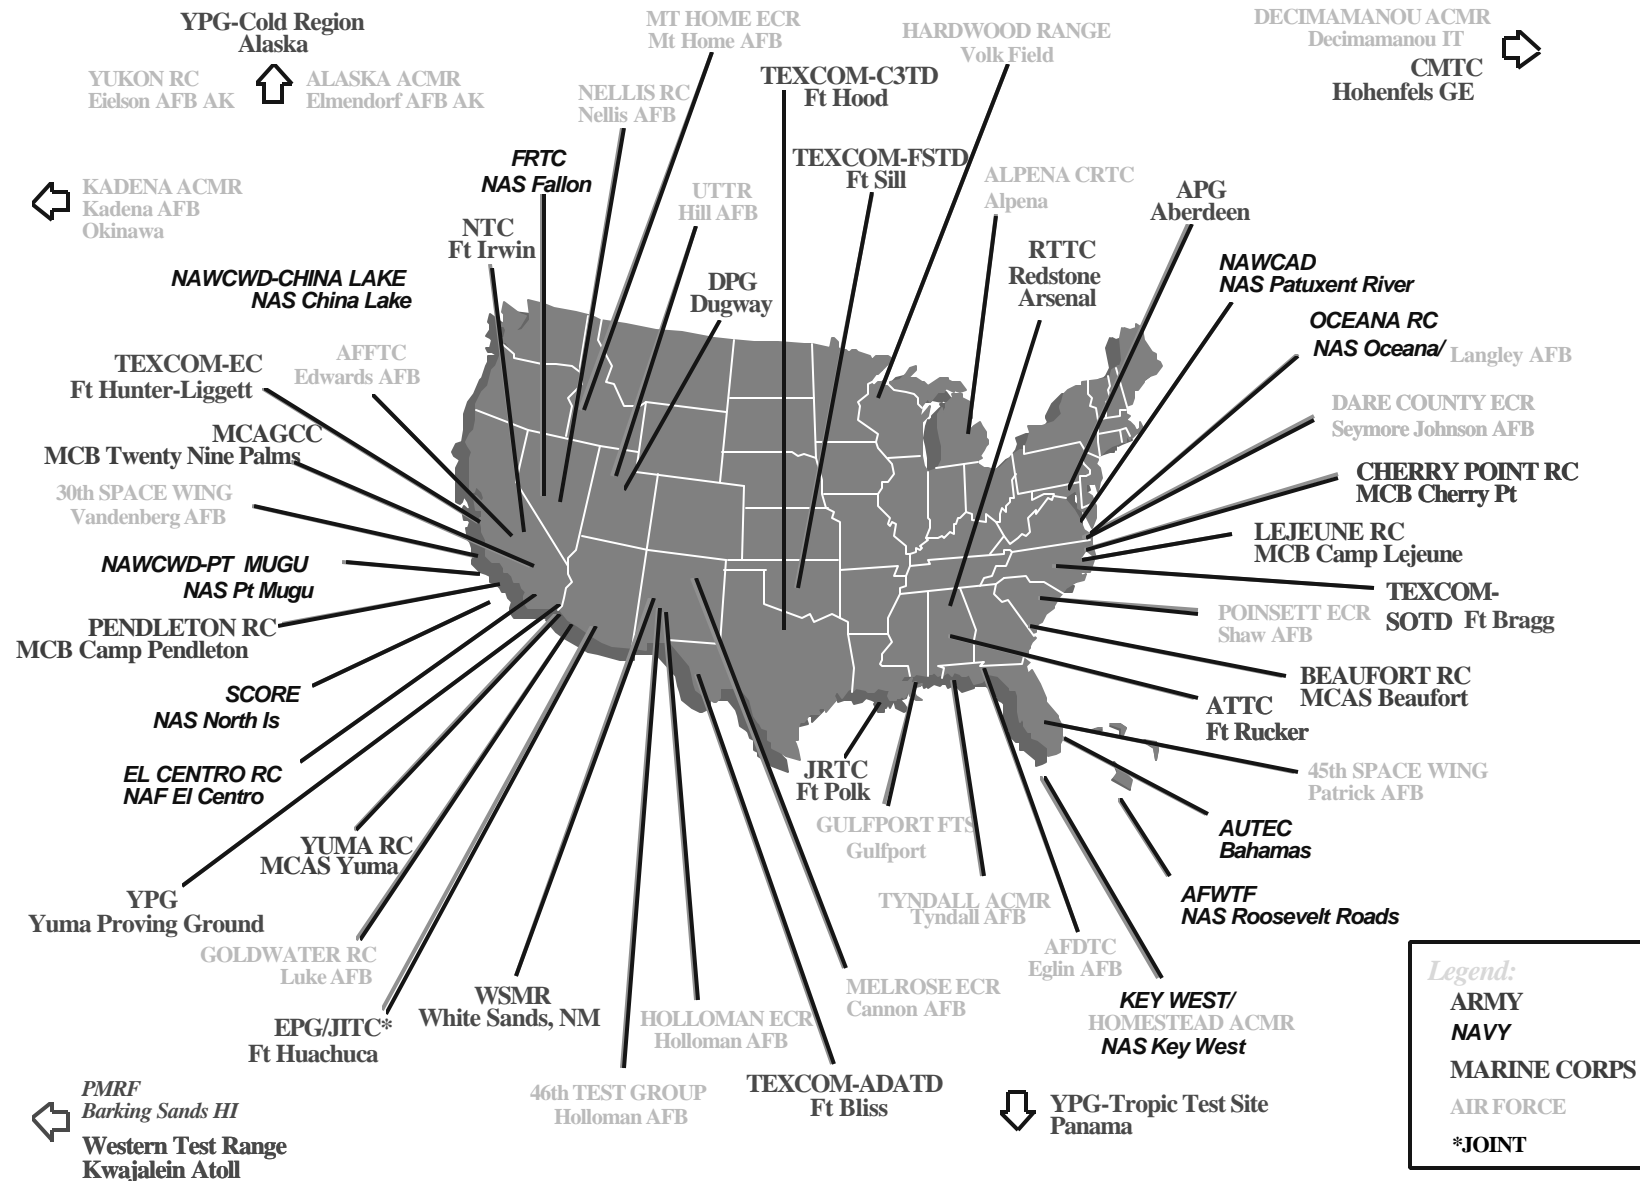

Resources and Ranges

MAJOR RANGE AND TEST FACILITY BASE

- A national asset that is sized, operated, and maintained primarily for DoD T&E missions, but also be available for all users having a valid requirements for its capabilities
- Operates under a uniform funding and charge policy

Major DoD Open Air Ranges

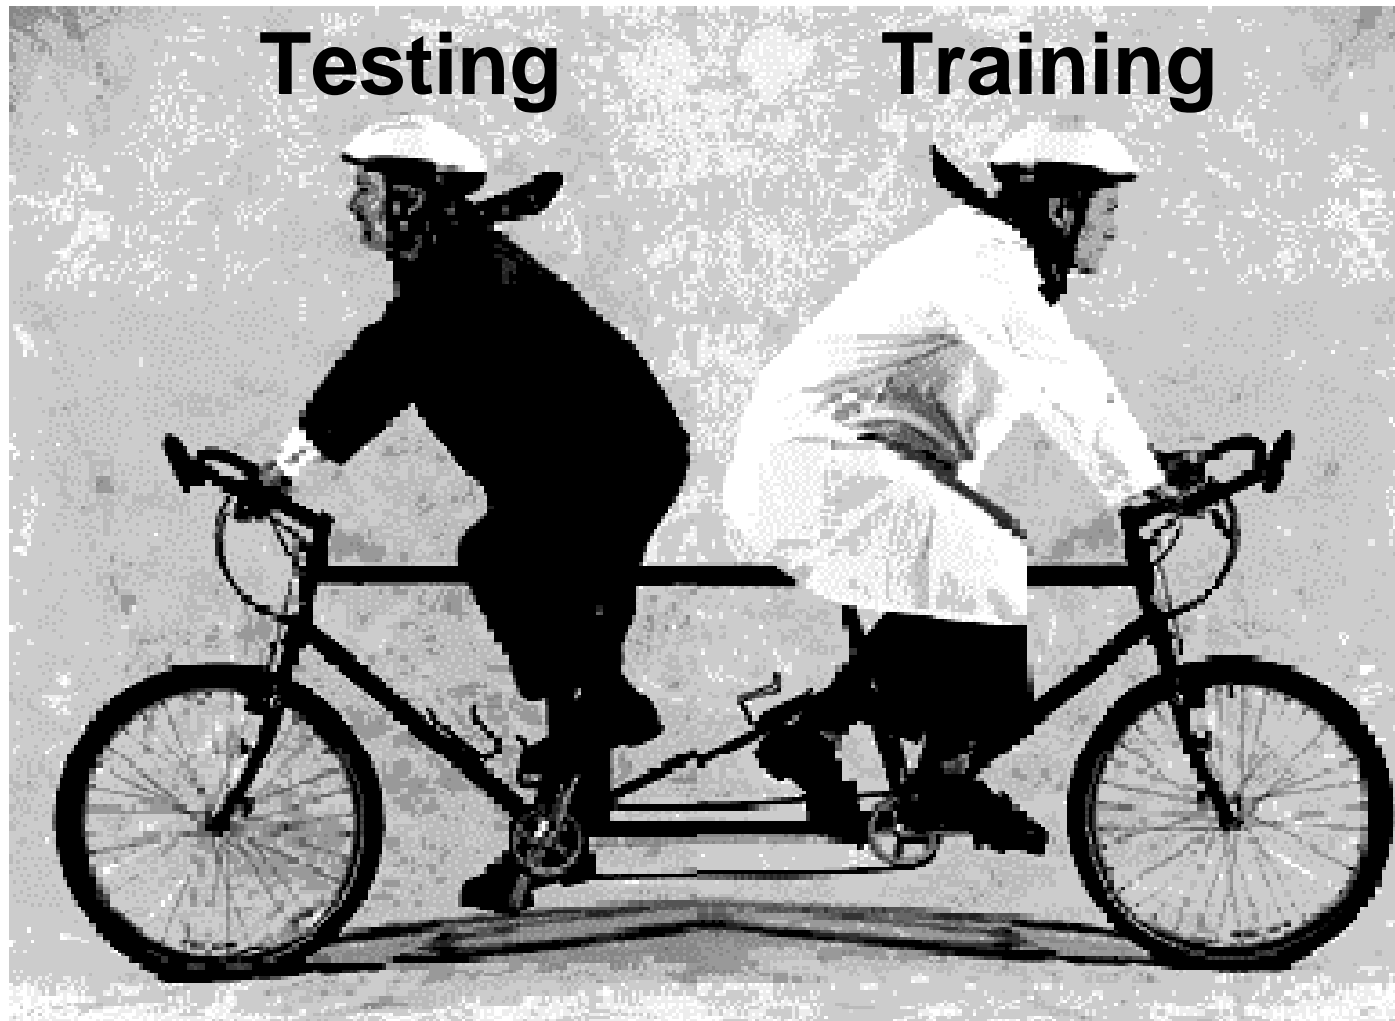

Secretary of Defense T&E Theme

Combined OT&E and Training

- **Implications:**
 - **Needed common interoperable instrumentation**
 - **Increased cooperative use on range assets**
- **Opportunities:**
 - **Test and training community partnerships**
 - **Gov't-Industry, Industry-Industry (instrumentation) partnerships**

Where We Don't Want To Be
